

CCAC SCHOLARSHIP ASSISTANT PRIORITIES FOR 2007-2009

For the purpose of the following -"staff" is any person permanently employed by any of the following child care center/programs as those adults with primary responsibility for a group of children or any such person who works directly under the direct supervision of such staff.

Priority #1. Staff who are currently employed in DSS-contract centers (serving infant, toddlers, preschool and school-age children).

Priority #2. Staff who are currently employed in the CCAC Accreditation Facilitation Project (AFP) "selected sites" (serving infant, toddlers, preschool and school-age children) that are not DSS-contract centers as identified in Priority #1. This includes SDE School Readiness contracted programs (serving preschool children) that are currently enrolled as an AFP "selected site".

Priority #3. Staff who are currently employed in SDE School Readiness contracted programs (serving preschool children) that are not in AFP "selected sites" (see Priority #2).

Priority #4. Staff who work in other public/private funded programs (serving infant, toddlers, preschool and school-age children) that are licensed by the Department of Public Health.
